

Faculty

Sarah B. Dehoney, PharmD, BCPS

Clinical Pharmacist
University of Utah Hospitals and Clinics
Adjunct Faculty, Pharmacotherapy
University of Utah College of Pharmacy
Salt Lake City, UT

Dr. Dehoney received her Doctor of Pharmacy degree from Texas Tech University Health Sciences Center School of Pharmacy in 2006 and completed a 2-year Pharmacotherapy residency at the Medical University of South Carolina. She has practiced in many settings including the emergency department, ICU, inpatient, and outpatient areas. She is a full-time clinical pharmacist caring for outpatients with a variety of neurological conditions at the University of Utah, Department of Neurology. She sees patients with ALS in a weekly multidisciplinary clinic designated as a Certified Treatment Center of Excellence by the ALS Association.
